The following students are nominated for the (check one)
Intermediate Theory Award: any 5 levels at $90 \%+$ including Level 4 or above
Senior Theory Award: any 5 levels at $90 \%+$ including Level 7 or above
Advanced Theory Award: any 2 levels from Levels 8 through 10 at $90 \%+$ To qualify for the award in 2023, at least one of the tests must be taken in 2023.
Distinguished Theory Award (Level 11 at 90\%+).
For 2019 only, as the students adjusted to the new syllabus, we accept repeating the same level. A 'repeated level' is considered one less numeric value from 2018 (since our program now begins with Level Prep). For example, we accept that a student who took Level 5 in 2018 was allowed to take Level 4A in 2019.
