**MCMTA Elementary Outstanding Music Achievement Award (Elementary OMA award)**

This award is for Elementary School students to honor their participation in MCMTA performing events and MSMTA Theory and Keyboard tests. It can be received only once by students in 3rd, 4th, or 5th grade upon completion of all requirements.

A teacher can apply for this award by mailing an application and supporting documentation at any time during the school year (Sep 1- May 31), but the shipment of the award will be done only once per school year for all students eligible for the Elementary and/or Junior OMA.

For example, if a student is eligible for the award in September, and all documentation is submitted and approved by the chair, a certificate of completion will be sent to the teacher immediately. However, the award will be ordered together with other awards for that teacher as soon as the teacher submits documents for ALL of his/her students who plan to apply for the OMA awards, which could be in the middle, or at the end, of the school year. This is done to make one shipment order per year, per teacher.

An application form, the track keeper page and photocopied documentation of all events (i.e., critiques with the signature of the judges or certificates from the elementary recitals, tests with scores, etc.) should be sent to the chair **either** via mail or email. Documentation will not be returned.

1. 8 MCMTA recitals (competitive or non-competitive, solo or ensemble, any level – elementary, intermediate, or advanced)
2. 2 different levels of MSMTA Theory test (both levels can be taken in one year, the score of 80% or above is required)
3. 2 different levels of MSMTA Keyboard test* (both levels can be taken in one year, at least 5 modules in each are required with 5 grades not lower than E-).
   *These 2 levels of the Keyboard test can be replaced with 2 extra MCMTA recitals for a total of 10 recitals.

# Montgomery County Music Teachers Association

# MCMTA Elementary Outstanding Music Achievement Award

Application form, events tracker form and photocopied documentation can be submitted starting September 1st through May 31st of the student's 3rd, 4th or 5th grade and must be mailed to:
